

PowerBoss Admiral 28 Rider Scrubber

Specifications

Working Width:	28"
Effective Suction Width:	38"
Area Performance, Up To:	51,666 ft ² / hour
Working Speed, Up To:	4 mph
Air Volume, Vacuum:	69.5 cfm
Waterlift:	69"
Capacity Drive Motor:	1 HP
Capacity Plate Brush Motor:	1 HP
Capacity Brush Motor:	Two (2) 1 HP
Capacity Suction Motor:	¾ HP
Tank Clean / Dirty Water:	30 gallons
Dirt Hopper Sweeping:	1.3 gallons
Brush Version:	Cylindrical
Number of Brushes:	2
Brush Diameter:	6"
Brush Revolutions RPM:	850
Brush Pressure:	110 lbs
Length with Squeegee:	65"
Height:	57"
Width with Squeegee:	38"
Width without Squeegee:	31.5"
Turning Circle in Aisles:	66.5"
Weight without Batteries:	750 lbs
Total Weight, Ready for Operation:	1,578 lbs

General Description:

- Cleans 51,666 ft² / hour
- 28" scrubbing path
- 38" squeegee suction width
- Squeegee automatic in reverse
- 69" waterlift
- ¾ HP vacuum motor
- 30.6 gallon solution tank
- 30.6 gallon recovery tank
- Battery powered
- Climbing ability: Empty 20%; Full 15%
- 69.5 CFM air volume vacuum
- Brush pressure 110 lbs
- Working speed 4 mph
- Weight: 750 lbs without batteries
- Weight: 1,350 lbs with batteries
- L x H x W: 65" x 57" x 38"
